O R D E R:

The Commissioner of Commercial Taxes, A.P., Hyderabad in his letters in the reference read above, has stated that after the introduction of VAT in 2005, the number of TIN dealers in few Circles in the State have increased enormously due to expansion of business and trade activity. Similarly, some Circles which were located in the traditional business areas of major towns were left with less number of TINs contributing lesser revenue per annum. It is also noticed that some mufsil Circles are having far flung jurisdictions covering 5 to 6 Mandals in a District, whereas some urban based Circles are having very limited jurisdiction of 1 or 2 roads. The large number of TINs and large jurisdictions in certain circles is causing hardship for dealers to get instant services from the department. It is also becoming difficult for the officers working in large circles to concentrate on revenue leakages. On the other hand, certain circles have got less number of dealers with insignificant revenue potential.

2. Thus, the Commissioner of Commercial Taxes, A.P., Hyderabad, to set right these anomalies and to rationalize the TINs per Circle, has proposed to form (7) new circles after disbanding (7) existing circles in the State. Further the territorial jurisdiction of the 44 circles is proposed to be modified in order to balance the revenue potential and number of VAT dealers for administrative convenience.

3. Government after careful examination of the issue, hereby accord permission to the Commissioner of Commercial Taxes, A.P., Hyderabad to disband seven (7) existing Circles and to form seven (7) new Circles and also make changes in the territorial Jurisdiction of (44) other circles in the State under Section 3-A of the APVAT Act, 2005 as follows:

Disbanded Circles/Newly formed Circles.
